**GET FUNDED AFTER 50 TRADES, IF YOU MEET 1 GOAL**

### REACH THE TARGET

## EVALUATION PARAMETERS THIS IS WHAT YOU NEED TO KNOW

**RPD - RISK PER DAY**  
We all trade in 1 huge pool. Just set up your RPD (daily loss size) and start trading.

**BUYING POWER**  
Trade TSLA, NFLX, and all the big names with a click of a button.

**RESET BUTTON**  
Use the reset button to start all over, after you pay a small but very important fee.

**14 DAYS OF GRACE**  
A 30 days counter will start after you made your first trade on the evaluation account or after 14 days of inactivity.

**THE PLATFORM**  
A high-end professional day trading stock platform with all the right features.

**TRACK YOUR TRADES**  
Watch and analyze your stats through your dashboard to get better everyday.

**TRADING RESOURCES**  
Get full access to our live trading room, 1-on-1 mentoring, special webinars, and Discord community.

## HOW DO I CONTINUE TO GROW

**LIKE ANY LEGITIMATE PROP FIRM, WE HAVE BUILT THE PERFECT GROWTH PATH FOR YOU.  
THE MORE CONSISTENT YOU ARE THE MORE \$ RISK YOU GET.**

**RISK PUMP  
5 DAYS**

Every time you will have 5 consecutive winning days, with 3XRPD and 30% success rate we will PUMP UP your RPD (\$ risk per day)

**RISK DUMP  
2 DAYS**

Growth is not just pumping up your risk, it's also knowing how to protect your capital everytime you'll have 2 consecutive losing days with 2xRPD, we'll lower your RPD one step back\*
